

1. All University of the West of England (UWE) students studying in BIBM should complete their online registration with UWE.

- Online Registration means that you have to get yourself registered online on UWE Website/ MyUWE using the Login information that has been provided.
- During your online registration, you do not have to make any payment to UWE as during the course of your study, you will be directly paying to BIBM as per the payment schedule of BIBM.
- During registration process you have to check your information and register for the programme you are undertaking. Students do not register for individual modules/subjects.
- The process will not take much time (about 5-10 mins)
- Students need to re-register with UWE at the start of each academic year.
- 2. If the students miss the registration deadline, they risk being withdrawn from their programme of study. The consequence of withdrawal is that they will not be able to access UWE learning resources or support materials. Also they will not receive any official notification of marks from UWE.
